obrazków w książce?!

Od dzisiaj wchodzą w życie nowe regulacje prawne dotyczące kształcenia na odległość. Jak czytamy na stronie MEN Minister Edukacji Narodowej apeluje i prosi dyrektorów szkół i nauczycieli "o zwrócenie szczególnej uwagi na równomierne obciążenie ucznia zajęciami w danym dniu, a także uwzględnienie możliwości psychofizycznych dzieci". Czytamy dalej, że: Dyrektor musi również ustalić z nauczycielami tygodniowy zakres nateriału dla poszczególnych klas, uwzględniając m.in.: równomierne

PIN CODES

Unlocking phones with unlock pattern have only 387420489 combinations so we have couple more attempts before it will be blocked.

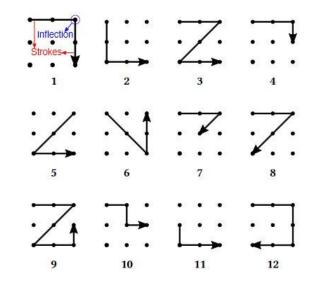

Figure 1: The twelve most popular unlock patterns according to [9]. An unlock pattern connects a number of dots, and it can be decomposed into several strokes separated by inflections.

https://pbs.twimg.com/

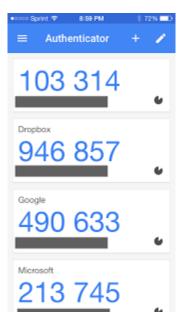

UNLOCK PATTERNS

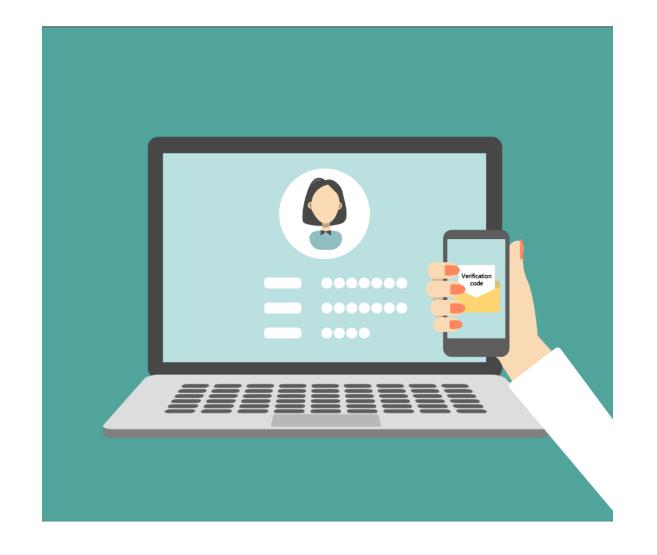

One of the safer data protection systems is "two-factor authentication".

This authentication consists in entering the code (e.g. sent by SMS) or using an additional application.

We share data all the time

We often share sensitive data for us, where we are, where we live or what we like.

Very often these are personal data.

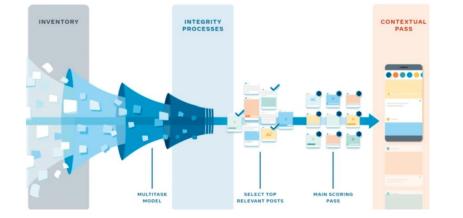

Control what you share

The algorithm decides what you watch and read

Facebook ranks each content according to complex factors that are individual to each account. This means that each news feed is personalized.

Facbook analyzes:

- Relationship / linkage
- Involvement
- Type of content
- Topicality Newer posts are displayed first.

YouTube analyzes:

- What movies each user watches
- What users are not watching
- How much time do they spend watching each movie
- Likes and dislikes
- Opinion "I'm not interested"

Instagram analyzes:

- interactions
- content
- time and frequency of publication
- hashtags

Information bubbles

Social media creates an image of an unreal world - everyone in them wants to be young, beautiful and rich.

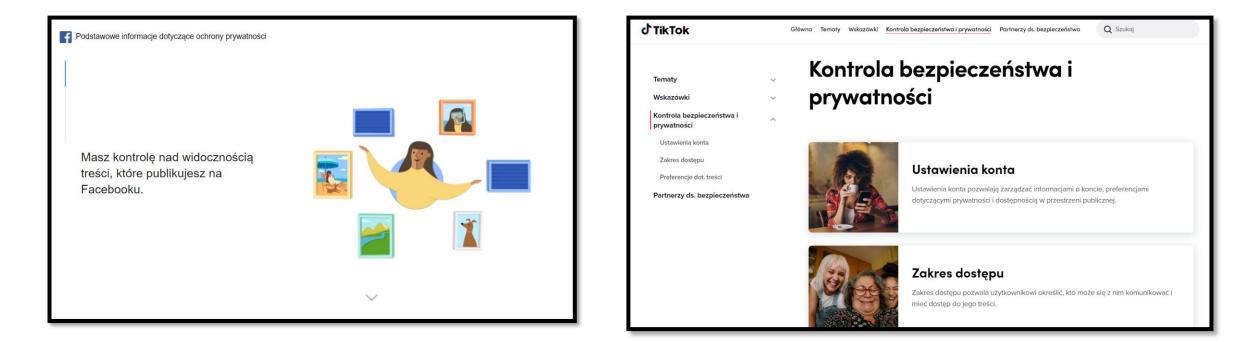

Social media is also full of advertising

Be yourself

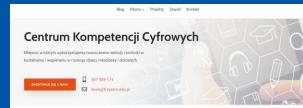

Change your privacy settings

Thank you for your attention:)
